## Rubric: PowerPoint Maze Game Rubric

A rubric for creating a maze within PowerPoint

### PowerPoint Maze Game Rubric

	<b>Poor 1 pts</b>	<b>Fair 2 pts</b>	<b>Good 3 pts</b>	<b>Above Average 5 pts</b>
<b>Appearance</b>	Poor  Maze design was confusing and busy in appearance	Fair  Many confusing steps but fairly clean in design	Good  Looked like a maze and was able to go from start to finish without many problems. Visually appealing.	Above Average  Visually appealing in design. Able to go from start to finish with no problems.
<b>Title Slides/Directions</b>	Poor  no title or directions	Fair  Had either title or directions but not both.	Good  Had a title slide and a direction slide. Directions were clear but did not include visual guidance.	Above Average  Had a title slide and a direction slide. Directions were clear and included visual guidance.
<b>Challenge</b>	Poor  The maze was very easy to find the way through all levels.	Fair  The maze had some dead ends but still was not that challenging.	Good  The maze was challenging but had the same obstacles on each level.	Above Average  The maze increased in difficulty and contained various obstacles on each level.
<b>Creativity</b>	Poor  The maze was not thought out well.	Fair  The maze had some creative aspects, but could've used more details.	Good  The maze was creative in design and the theme carried through most of the levels.	Above Average  The maze was creative in design and the theme carried through all of the levels.
<b>Requirements:</b>	Poor  There were only 2 levels to the game	Fair  There were 3 levels to the game	Good  There were 4 levels to the game	Above Average  There were 5 or more levels to the game
<b>BONUS</b>				
<b>Bonus Points</b>	Poor  There were sound effects added to the game.  3pts	Fair  There are moving obstacles in the game related to the theme.  5pts	Good  Theme was exceptionally creative and well thought through.  3pts	Above Average  The maze has creative elements that went beyond what was covered in class.  5pts
